Social Inclusion &
Engagement in Mobility

Hi!

This document was prepared to help you promote the *Social Inclusion and Engagement in Mobility* survey. Next to each of the promotional graphics there is a suggestion of text that you can use directly in your communication channels.

It is not mandatory to use the suggested posts, you can change it and/or translate it if you feel that is what better suits your audience. Just remember to always:

- **Attach one of the graphics**
- Include the **link to the survey**
- Be short and concise (longer posts tend to not get a good reach)

If you have any questions don't hesitate to contact us at wim.gabriels@esn.org and josipa.friscic@esn.org

Thank you for your support!
